#### **AS1 SERIES DESIGNED FOR SMALL TO MEDIUM VOLUME**

Our AS table top shuttle type heat sealer is designed for small to medium volume production requirements. This sealer may be used for conventional carded blisters, full face blisters, trapped blister and half-clamshell styles as well as applications using foils and other heat sealable lid stock materials.

The AS table top shuttle type heat sealer is available with a standard sealing area of 10 x 12 inches. This high quality sealer is ideal for startup companies, back up equipment, cellular production lines or low volume in-house packaging. The AS shuttle type sealer is a one (1) operator shuttle type utilizing quick-change sealing trays.
